Google Voice number: (626) 600-2902 (Text /Message ONLY). Please feel free to text this number for any questions you may have or any message for your child's teacher. The front office will reply to it or pass the message to the teacher accordingly.

Progress Report

If your child has enrolled with us for more than 6 wks, you will be able to receive a progress report in early Feb which includes the assessment about your child's overall learning progress/performance at TomorrowLand Academy as a reference. The report will help you understand your child more when it comes to their fine/gross motor skills, academic learning, critical thinking, social/emotional development, and problem-solving skills at school. This can give you a better understanding of your child. The teachers are evaluating whether or not your child is at an age appropriate level, not comparing with other friends/classmates.
