### Happy 4th of July!

SUMMER IS HERE ~ We have created a bunch of fun summer activities for your child(ren). Please view them below.

### 7/20 Johnny Animals: Stuffed Animal Making ( Additional fee \$25/each)

Johnny Animals is coming to TOMORROWLAND's Summer Program!! Johnny Animals' team brings their fluff pump which is a six foot tall, old-fashioned gas pump that fills the stuffed animal with life. A friendly instructor will demonstrate the process of making stuffed animals. It will be a fun experience for your child as well as be a valuable learning lesson.

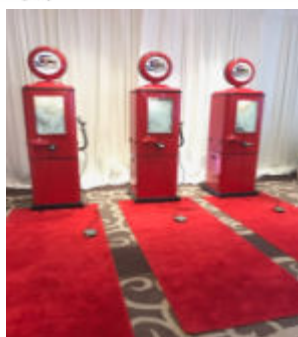

Your child will be able to choose from 8 different kinds of animals for boys/girls. He/she will be able to put a heart in to the animal of their own choosing, pump in the cotton, Each animal will also have their own birth certificate. Your child can name the animal on their own :)

All students will participate in this event and take one stuffed animal home. We will bill it to your account automatically when your child has completed one (\$25/each). No need to choose stuffed animal in advance, we will let your child decide on that day. :)

OPTIONAL: Additional outfits you may pro-order in advance to dress up the stuffed animal.
